His official Memorandum
No 493 dated 2nd November
1893 forwarding for report
2 petitions from Kalluri Purna
char of Kasaba Mulubagal
complaining against Aravu
Raghavendrachar and
Narasimhachar Nehimidars
of the Government Annachatra
at Mulubagal.

In reply has the honor to
submit herewith a memo
containing a substance of
the Petitioners complaint
together with the remarks

With P.R. on
No 19 - 20 - 01 24

of the undersigned on the same.

The Vernacular records bearing on the enquiry as per accompanying Ferist and to which is attached a detailed Calender of enquiry held by the Amin into the case are also submitted for reference and obliging return when no longer required.

Deputy Commissioner
Kolaba Dist.

Memo on the complaint of Kallavi Purna Char of Kasba Mullagal against Avarru Raghavendra Char and Narasinna - Char Rahamedars of the Government Anna Chattram at Mullagal.

Substance of the complaint.

The rehamu allowance sanctioned in favour of Avarru Rayahavendrachar & Preepadu Char for the performance of Puja and other services in the Anna-Chattram at Mullagal is only a life-rent Preepadu Char having since died there is no reason to continue the allowance to his son Narasimha-Char.

The summad issued by His Highness the Maharaja requires the rehamedars (or disciples &c (numbering 7) in all) to eat cooked rice in the Chattram during the day taking raw rations daily for the night whereas in practice the rehamedars are daily paid 7 seers of raw rice with condiments.

Deputy Commissioner's remarks.

From the records available on the subject it appears that in pursuance of the orders issued from time to time by competent authorities the rehamu allowance in question has descended from the original grantees to their lineal heirs in succession and that the continuance of the allowance to Narasimha Char in the room of his late father Preepadu Char is supported by the Deputy Commissioner's order No. 96 dated 24th August 1859

The Amildar reports that the rehamedars in question have always been in receipt of raw rations and that this practice has been recognised by higher authorities The arrangement seems to have been supported by the Deputy-Superintendent's order No. 14 dated 17th November 1866 and is very economical as the reham. allowance which is paid to the

Peerpad-

recipients in cash
fixed rate of 1
which is very cheap
with the selling price

(3) The rehamedars get the Vartha — Gundhakshata and Tirvedya — - marapanas services performed by a disciple instead of doing the same themselves by turns. The monthly cash Emolument of Rs 2-6-0 attached to these services should therefore be — discontinued.

The Amildar reports that though these offices are shown in the Baramard as two distinct ones carrying a monthly emolu- ment of Rs 1-3-0 each they have for a long time been performed by a single disciple. No change in the existing practice seem called for as the duties devolv- ing upon the rehamedars are being regularly performed by their disciple.

(4) The rehame is not paid to the recipients in kind but in cash at 16 annas per rupee.

The Amildar reports that the arrangement was introduced by one of the previous Amildars of the Taluk during the famine of 18- -77 when the market price of rice was very high and that it has ever since been in force. The measure is undoub- -edly advantageous to the Sangrane Department as the allowance actua- Paid in cash is much less than what it would have been if it had been paid according to the prevail- ing price of rice and the Petitioners complaint is therefore groundless.

Sd

it appears that the Taluk auc
do not make the payment direc
to chamidars but to a merchant
whom the latter receive the sam
This practice is irregular and objec
-able as it has the effect of showin
in the accounts that the merchant
sells the rice to the Sircar depart
ment at 16. seers per rupee which
is not the case the Amildar has
therefore been directed to discontinue
the same & make the payment in
cash direct to the recipients of the
allowance in future

The Amildar reports that
the nattamdars have made proper
arrangements for the duties devolving
on them being duly performed in
the Chattram by one of their disciples
and that they have acquired some
landed property as the allowance
they receive from the Chattram
is inadequate to enable them to
maintain their large family.

The nattamdars now and then
leave their place without permission
for the purpose of earning money.
They have acquired a few village
and other landed property and are
doing on money They go to Kunch-
eeba Rowis sabha and have become
wealthy. There is therefore no necessity
for payment of the rice allowance
them.

The Amildar reports that this
is duly attended to.

Arrangements should be made
for the feeding in the Chattram
being duly carried out and for the
proper performance of service by the
employe attached to the Institution.

Recommending payments

Kolar Dy. Commissioners Office
Dated the 10th March, 1916

To,

The Muzarai Secretary
to the Government of Mysore.

Sir,

I have the honor to state that the Government Amma chattram at Mulbagal is situated at Narasimha-tirtha which is upwards of a mile from the Kasaba and the feeding therein carried on cannot be adequately supervised by the responsible Taluk officials without prejudice to their other duties.

2. Complaints are frequently received to the effect that the affairs of the chattram are mismanaged by the petty officials & servants therein employed but the truth cannot satisfactorily be elicited.

3. I would therefore beg to recommend that the present system of feeding travellers in the chattram be substituted by the distribution in the presence and under the

the Supervision of the Amildar or Taluk Sheristedar of raw rations at half a seer of rice to each bonafide traveller per day with a cash payment of 6 pies for necessary condiments, children under 10 years being allowed ½ of the above rates. This arrangement will admit of a considerable reduction in the chattram establishment and is likely to result in a tangible savings which may with advantage be utilized for the better maintenance of the chattram building and for the purchase of Vessels &c.

4. If the proposal be sanctioned as a tentative measure for 1 year the experiment will be tried and the result reported at the end of that period.

I have the honor to be
Sir,
Your most obedient servant.

Muzarai Department.

Sir,

With reference to your docket No: 1034 dated 26th Ultimo calling for further information in regard to the proposed introduction of the system of issuing raw rations instead of cooked food into the Government Annachattram at Mulbagal, I have the honour to state that the present feeding allowance of the chattram is Rs 58 per mensem. A good portion of this. Viz: Rs 20, goes towards the payment of fixed grain allowances to the Nchamidars, the balance available each month for feeding travellers being only Rs 38/-

2. The monthly cost of the establishment attached to the chattram is Rs 11-15-0 as deta

in the accompanying statement.

3. In the event of the system proposed being sanctioned, it would only be necessary to retain a Sweeper on a pay of Rs 2 per mensem and a Mutsaddi on Rs 3 a month, who will also serve as a caretaker of the Chattram. The services of the remaining members of the establishment viz: the cook the Paricharak and Gandhakshate and Naivedyasamarpane men may be dispensed with. Of these the cook and Parachavak are reported to have already absented themselves without leave.

4. The Gandhakshate and naivedyasamarpane men come also under the head of Nzhamidars of whom a list is submitted. I think these Nzhamidars are entitled to receive their allowance in grain &c.

5 The vernacular file of papers ending with the Amildar's Urzi No: 44 dated 4th Instant is also herewith forwarded for further reference and obliging return when no longer required.

Enclosure No 1 file

General No. Camp 19-20

Muzrai F. No.

Approving the proposal
of the DC comm^r to discontinue
the feeding of travellers in
the Mulbagal anna chattram.

Read:—

Letter No 3366/884 dated 10 March 1896 and No 1019/1064 dated 17 April 1896, from the Deputy Comr. Kolar District, proposing that the feeding of travellers at the Mulbagal Anna Chattram be discontinued and the system of issuing raw rations to travellers be introduced instead.

—— ∴ ——

Order thereon No. C 19-20 Jmuz 29-96, Dated Camp Mysore, 26th June 1896.

The Anna chattram at Mulbagal receives a monthly allowance of Rs 69. 15. 0 of which Rs 58 have been assigned for feeding purposes

Remainder 11. 15. 0
for the establishment
charges.

2. The Deputy Comr
reports that out of the
feeding allowance
of Rs 58/- a month,
Rs 20/- go towards
the payment of fixed
grain allowances to the
Nehimidars, thus leaving
a comparatively small
portion of the Jasdik
for the benefit of the
bona fide travellers
and that the affairs of
the chattram are not
otherwise too in a satisfactory
condition. He therefore
proposes that the feeding
of travellers in the chattram
be discontinued and instead
each bona fide poor
traveller be given half
a seer of rice and six

pies for condiments.

3. As regards the Chattram establishment, the Deputy commissioner proposes to retain only the services of 2 servants viz a Mutsaddi on Rs 3/- a month and a sweeper on Rs 2/- a month and dispense with the services of others as no longer necessary.

4. The Deputy Comm'rs proposal to discontinue the feeding in the chattram, and supply instead raw rations to travellers according to the fixed scale is approved; and the same will be carried out as an experimental measure for one year with effect from

proposal to pay 1/2 an anna per traveller for "condiments" does not commend itself to Government, they are of opinion that it will be more convenient to travellers if condiments are given in kind.

5. The Chattram establishment may also be reduced to two Servants and the services of the others dispensed with. But instead of appointing a Nautsaddy on Rs 3/- as proposed by the Deputy Comr, it will, the Government observe, be more useful to have a Brahmin servant on Rs 5/- his duty being not only to distribute raw rations

to needy travellers and
also to prepare meals
at the chattram for
such of those as are
by reason of extreme
old age or other
bodily infirmity
unable to cook for themselves.

6. The Deputy Comr
is accordingly requested
to submit for the inform
-ation and further orders
of Government, a state-
-ment as per form annexed
in the margin, noting the
particulars of servants
whose services have been
retained and those whose
services have been dispensed
with under the revised
arrangements herein
sanctioned.

7. The Nelimi
allowances now paid

No. | Name of Office. | Name of present incumbent | Pay. | Kind. | Cash. | Service Date of 1st Appt. | Nature of establishment in the Chattram | Nature of Service

out of the Chattram
funds should be regarded
only as life grants
and be discontinued
on the demise of the
present recipients.
